

VET expression of interest 2021

Unley High School

Student Name: _____ **2020 Home Group:** _____

Vocational education and training (VET) is education and training that gives students skills and knowledge for work. VET operates through a national training system, and is delivered, assessed and certified by external registered training organisations (RTOs).

All VET programs offered will give the student:

- SACE Credits (each competency will be accredited towards the SACE)
- Nationally Accredited VET units / Qualifications

Student participation can be arranged at times to suit the student and so that it will cause minimal disruption to their school based program. Most courses will all be held off-site. All VET programs involve costs that the student will be responsible for. These can range from \$400-\$1800 depending on the program.

Please contact Mr Watts for more details.

Career area	Interest <small>(please number 1 or more choices in order of preference)</small>
Agriculture	
Allied health assistance	
Animals	
Aquatics	
Automotive	
Aviation	
Business	
Childcare	
Computing	
Carpentry	
Dance	
Electrician
