Year 8 Selection Guide 2025

Additional Information

The following outlines specific information to elaborate upon the subject options outlined on the first page. For even more information, please visit the [Unley High School website](#).

Personal and Social Identity [PSI]

Students continue with the same PSI group from year 7 in 2024. Students continue to undertake all their compulsory subjects (outlined in step 1 on the first page) with the same students in their PSI group.

Languages other than English

Students undertake their chosen language for a full year in Year 8. They may then elect to continue studying their language in Year 9 and beyond.

Music

Only students enrolled in Music as a subject can access instrumental lessons at Unley High School. For further details about the Music program and instrumental options, please read the [Music Information](#) and consider the recommended background outlined in the curriculum handbook.

Special Interest Programs

Special Interest Rowing

Students in this program undertake Rowing for a full year, in place of their HPE option (indicated in step 4 on the first page). Students in this program continue to undertake Rowing for a full year in Year 9, and for at least 1 semester in Year 10.

Summit Program

Students undertake English, HASS, Science and Mathematics within the Summit Program. Students continue these subjects for a full year in Year 9 and Year 10 with the exception of HASS for a semester only in Year 9 and Year 10. Languages are compulsory throughout the student's enrolment in the Summit Program. This means students are required to study their chosen language up to the end of year 10.

French Bilingual Program

Students in this program undertake Science, Mathematics, HASS and French language within the French Bilingual Program. Students continue these subjects for a full year in Year 9 and Year 10.
