

Year 9 Subject Selection Guide 2026

This selection form is a guide for students and parents to discuss their subject selections in the lead up to formal course counselling in term 3. At that time subject choices will be entered online via 'Student Webpreferences' where students will receive a unique login, password, and instructions to enter their choices and print confirmation. For more information about all subjects please visit the [Year 9 Overview](#) of the Unley High School Curriculum Handbook.

Please read the following page for additional information, including specific details about special interest programs in year 9 at Unley High School.

Students will select 14 semesters from the following subject groups (a full year subject counts as 2 semesters). Students will also select 2 reserve subjects, which will be used if they cannot be placed in one of their options.

1. Compulsory subjects

All students undertake the following subjects:

Year 9 Subject Selection Guide 2026

The following outlines specific information to elaborate upon the subject options outlined on the first page. For even more information, please visit the [Unley High School website](#).

Personal and Social Identity [PSI]

Students currently at Unley High School will be allocated a new PSI group from year 8 in 2025. Students undertake all their compulsory subjects (outlined in step 1 on the first page) with different students to their PSI group (with the exception being those in the Summit program).

Music

Only students enrolled in Music as a subject can access instrumental lessons at Unley High School. For further details about the Music program and instrumental options, please read the [Instrumental Music](#) information and consider the recommended background outlined in the curriculum handbook.

Special Interest Programs

Special Interest Rowing

Students in this program undertake Rowing for a full year, in place of their HPE option (indicated in step 3 on the first page). Students in this program continue to undertake Rowing for at least 1 semester in Year 10.

Summit Program

Students undertake English, History, Science and Mathematics within the Summit Program. Students continue these subjects for a full year in Year 10 with the exception of History for a semester only in Year 10. Languages are compulsory throughout the student's enrolment in the Summit Program. This means students are required to study their chosen language up to the end of year 10.

French Bilingual Program

Students in this program undertake HASS, Science, Mathematics and French language within the French Bilingual Program. Students continue HASS within the program for a full year and begin Stage 1 French in Year 10.
