

Year 8 Subject Selection Guide 2027

This selection form is a guide for students and parents to discuss their subject selections in the lead up to formal course counselling in term 3. At that time subject choices will be entered online via 'Student Webpreferences' where students will receive a unique login, password, and instructions to enter their choices and print confirmation. For more information about all subjects please visit the [Year 8 Overview](#) of the Unley High School Curriculum Handbook.

1. Compulsory subjects

All students undertake the following subjects for a full year:

- | | |
|---|---|
| ☒ English / English as an Additional Language [EAL] | ☒ Science |
| ☒ Mathematics | ☒ Humanities and Social Sciences [HASS] |

Students in the French Bilingual Program undertake [French Bilingual Science](#), [Mathématiques](#), and [Histoire & Géographie](#) for a full year in place of General Science, Mathematics, and HASS.

2. Languages other than English

All students undertake one of the following languages for a full year:

- | | | |
|--|--|---|
| ☐ Chinese | ☐ Greek | ☐ French Bilingual ^{\$} |
| ☐ French | ☐ Italian | |

Students currently at Unley High School undertake the same language studied in year 7 in 2026. French Bilingual is only available to students in the French Bilingual Program.

3. Health and Physical Education

All students undertake a semester of Health and Physical Education. The exception is students in the Special Interest Rowing students, who undertake HPE (Rowing) for a full year.

- | | |
|---|---|
| ☐ Health & Physical Education (Semester) | ☐ HPE [Rowing] (Full Year) ^{\$} |
|---|---|

4. Design and Technology / The Arts

Students select three semesters from the following options (a full year subject counts as two semesters). The exception is Special Interest Rowing students, who select two. Note: Music is a full year subject and counts as two semesters. Students must select at least one semester from both the Design and Technology and The Arts learning areas.

Design and Technology

- ☐ [Materials Technology](#)
- ☐ [Food & Fibre Technology](#)

The Arts

- ☐ [Visual Arts](#)
- ☐ [Drama](#)
- ☐ [Music](#) (Full Year)

Please read the following page for additional information, including specific details about special interest programs in year 8 at Unley High School.

Year 8 Subject Selection Guide 2027

The following outlines specific information to elaborate upon the subject options outlined on the first page. For even more information, please visit the [Unley High School website](#).

Personal and Social Identity [PSI]

Students currently at Unley High School continue with the same PSI group from year 7 in 2026. Students continue to undertake all their compulsory subjects (outlined in step 1 on the first page) with the same students in their PSI group.

Languages other than English

Students undertake their chosen language for a full year in Year 8. They may then elect to continue studying their language in Year 9 and beyond.

Music

Students enrolled in Music as a subject are expected to participate in instrumental music lessons, either through the government-funded program or private tuition options. For further information about the Music program, instrumental opportunities, and recommended pathways, please refer to the [Instrumental Music](#) information and the curriculum handbook.

Special Interest Programs

Special Interest Rowing

Students in this program undertake Rowing for a full year, in place of their HPE option (indicated in step 3 on the first page). Students in this program continue to undertake Rowing for a full year in Year 9, and for at least 1 semester in Year 10.

Summit Program

Students in this program undertake English, HASS, Science and Mathematics within the Summit Program. Students continue these subjects for a full year in Year 9 and Year 10 with the exception of HASS for a semester only. Languages are compulsory throughout the student's enrolment in the Summit Program up until the end of year 9. Summit students are strongly encouraged to continue their language in Year 10.

French Bilingual Program

Students in this program undertake HASS, Science, Mathematics and French language within the French Bilingual Program. Students continue HASS and French in the program for a full year in Year 9 and 10.

Additional Costs^{\$}

Subjects marked with a dollar sign^{\$} attract additional subject-specific fees. Please refer to the relevant subject pages in the curriculum handbook for details.
