

Year 9 Subject Selection Guide 2027

This selection form is a guide for students and parents to discuss their subject selections in the lead up to formal course counselling in term 3. At that time subject choices will be entered online via 'Student Webpreferences' where students will receive a unique login, password, and instructions to enter their choices and print confirmation. For more information about all subjects please visit the [Year 9 Overview](#) of the Unley High School Curriculum Handbook. Subjects marked with a dollar sign^s attract additional subject-specific fees. Please refer to the relevant subject pages in the curriculum handbook for details.

Please read the following page for additional information, including specific details about special interest programs in year 9 at Unley High School.

Students will select 14 semesters from the following subject groups (a full year subject counts as 2 semesters). Students will also select 2 reserve subjects, which will be used if they cannot be placed in one of their options.

Year 9 Subject Selection Guide 2027

The following outlines specific information to elaborate upon the subject options outlined on the first page. For even more information, please visit the [Unley High School website](#).

Personal and Social Identity [PSI]

Students currently at Unley High School will be allocated a new PSI group from year 8 in 2026. Students undertake all their compulsory subjects (outlined in step 1 on the first page) with different students to their PSI group (with the exception being those in the Summit program).

Music

Students enrolled in Music as a subject are expected to participate in instrumental music lessons, either through the government-funded program or private tuition options. For further information about the Music program, instrumental opportunities, and recommended pathways, please refer to the [Instrumental Music](#) information and the curriculum handbook.

Special Interest Programs

Special Interest Rowing[§]

Students in this program undertake Rowing for a full year, in place of their HPE option (indicated in step 3 on the first page). Students in this program continue to undertake Rowing for at least 1 semester in Year 10.

Summit Program

Students undertake English, History, Science and Mathematics within the Summit Program. Students continue these subjects for a full year in Year 10 with the exception of History for a semester only in Year 10. Languages are compulsory throughout the student's enrolment in the Summit Program up until the end of year 9. Summit students are strongly encouraged to continue their language in Year 10.

French Bilingual Program[§]

Students in this program undertake HASS, Science, Mathematics and French language within the French Bilingual Program. Students continue HASS within the program for a full year and begin Stage 1 French in Year 10.

Additional Costs[§]

Subjects marked with a dollar sign[§] attract additional subject-specific fees. Please refer to the relevant subject pages in the curriculum handbook for details.
